EDUCATION

Ewha Womans University - Integrated M.S./Ph.D., Computer Science / Computer Vision	2021 - Present
<i>Computer Vision Lab, advised by Prof. Dongbo Min. Seoul, South Korea.</i>	
Seoul Women's University - B.S. in Computer Science and Engineering	Feb 2017 - Feb 2021
<i>GPA: 4.19 / 4.5. Graduated as salutatorian (ranked 2nd in the department). Seoul, South Korea.</i>	

EXPERIENCE

Integrated M.S./Ph.D. Student, Computer Vision Lab, Ewha Womans University	2021 - Present
<i>Advisor: Prof. Dongbo Min.</i>	
LG Electronics (Industry Project)	Apr 2023 - Apr 2024
<i>A Study on Self-supervised Learning for Driving Error and Obstructed Zone Prediction in Robot Cleaner.</i>	

PUBLICATIONS

Conference Papers & Preprints

- Yerim So, **Jiyeong Kim**, Jiwon Yoon, Dongbo Min. "Spatio-Temporal Similarity Volume Aggregation for Open-Vocabulary Action Recognition." arXiv preprint arXiv:2605.23288, 2026.
- Jiyeong Kim**, Yerim So, Hyesong Choi, Uiwon Hwang, Dongbo Min. "Enhancing Alignment for Unified Multimodal Models via Semantically-Grounded Supervision." European Conference on Computer Vision (ECCV), 2026.
- Hyesong Choi, Hunsang Lee, Seyoung Joung, Hyejin Park, **Jiyeong Kim**, Dongbo Min. "Emerging Property of Masked Token for Effective Pre-training." European Conference on Computer Vision (ECCV), 2024.

Journal Articles

- Jiyeong Kim**, Hyesong Choi, Seongwon Jeong, Keonhee Ahn, Dongbo Min. "Addressing Class Imbalance in Contrastive Knowledge Distillation via Teacher-Guided Feature Augmentation for Semantic Segmentation." IEEE Access, 2026.
- Seongwon Jeong*, **Jiyeong Kim***, Sungheui Kim, Dongbo Min. "Revisiting Domain-Adaptive Semantic Segmentation via Knowledge Distillation." IEEE Transactions on Image Processing (TIP), 2024.

* Equal contribution.

HONORS & AWARDS

Ewha Boeing Scholarship	2024
Excellence Award, 8th K-Hackathon Immersive Content App Development Challenge (Nationwide)	2020
<i>Ministry of Science and ICT (MSIT) & Software Education Innovation Center. Development of Real-Time Objects Segmentation for Dual-Camera Synthesis in iOS (Journal of Internet Computing and Services).</i>	
Bronze Prize, Global Indie Game Development Contest (GIGDC), Planning Division (University Category, Nationwide)	2020
Bronze Prize, SW Challenge (Nationwide)	2019
<i>Korea Software Industry Association.</i>	
President's Award, Startup Idea Contest	2019
<i>Nowon Green Campus Town.</i>
